Dear Mr. Zisk:

I'm sure you are already aware of the City Council's latest action concerning your property along Dry Creek off Thomas Street, but I have been requested to notify you officially of the City Council's intention to acquire a strip of your land along Dry Creek for a future bicycle and pedestrian trail along the creek. The reason for this notification is to alert you to the possibility that the City's plans may be in conflict with your development plans in the same area.

Very truly yours,

Robert G. Hutchison
